# OVERVIEW/ GOALS

This martial arts gym wanted to increase their overall organic traffic and begin taking online sign ups for their free introductory class. Our approach included:

- in-depth keyword research
- optimize content on landing pages
- add new pages to leverage keyword research
- content plan based on keyword research
- monthly blog post
- build landing page for online signups
- acquire new backlinks to improve website authority

# KEYWORD RESEARCH/ WEBSITE CONTENT

We began by performing in-depth keyword research. This helped us identify content marketing opportunities through new blog posts and deficiencies in current content. Once all keyword research was completed and approved by the client, we planned blog posts for 12 months and optimized all relevant pages of the website.

# DOMAIN AUTHORITY/ REFERRING DOMAINS

We performed a full backlink analysis and implemented a link-building campaign to increase the overall authority of the website. Over a period of six months we were able to **improve the authority of the domain from 11 to 16 (out of a maximum of 100)**. We have also seen a steady increase in the number of domains that are linking to this website.

DA - domain authority (a rating out of 100 that indicates the overall authority of a website)  
RD - referring domains (the number of unique websites that link to this website)

# IMPRESSIONS/ TRAFFIC

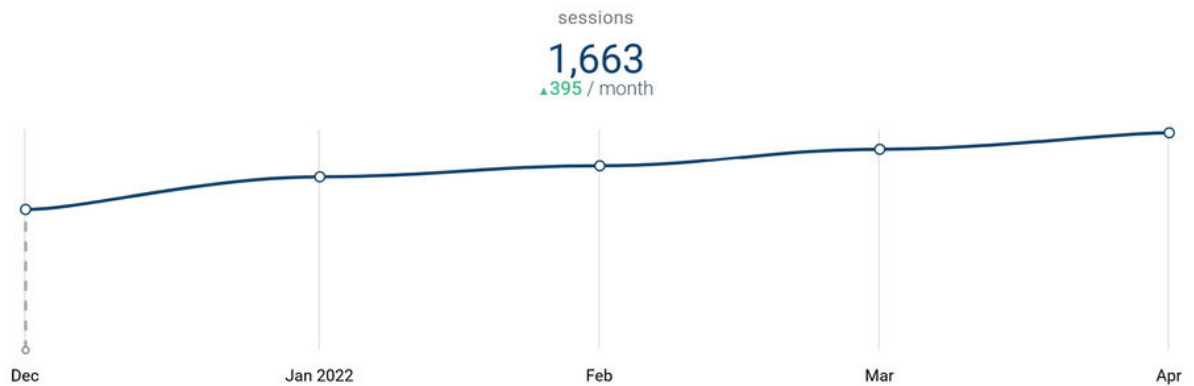

## Impressions and Clicks from Google

Over the past six months we have seen an increase of impressions from Google by **over 300%**. Clicks directly from Google are **up 24%**. We also saw an **increase in organic sessions of 55%**.
